## MACHINERY AND TECHNOLOGY

Technology-driven solutions for a thriving industry.

Simonza continuously invests in state-of-the-art machinery and technology to enhance our production capabilities and deliver innovative solutions to our customers. Our advanced equipment allows us to streamline processes, increase productivity, and maintain the highest level of precision and quality in our products. With a focus on staying ahead of industry trends, we are constantly exploring new technologies that can further improve our operations and provide even better service to our clients.

## PRODUCTION

Efficient and streamlined processes ensure high-quality output.

Simonza's production department is equipped with state-of-the-art machinery and futuristic technology to ensure high-quality products and efficient manufacturing processes.

Our commitment to excellence is evident in our production process, which includes the use of the longest kiln in the industry, measuring 292 m, with a SACMI press that is made in Italy.

This, combined with our two different glaze lines, allows us to achieve a daily production of 23,000 sq m. We also have a 12-color head system for digital inkjet and glaze materials from Vidres. The result is tiles that have exceptional clarity and high definition, thanks to our advanced digital machine technology.

## **600x1200mm**

We offer a large size of 600 x 1200 mm, which makes these tiles perfect for creating a seamless and spacious look in any space. Whether you're looking to create a statement feature wall or a sleek floor, our range of sizes ensures that you can find the perfect fit for your project. Additionally, this size offers versatility in terms of design options, as larger tiles can be used to create a more contemporary and modern aesthetic while also making smaller spaces appear larger.

## **Thickness**

With a thickness of 8.5mm, these tiles offer both durability and versatility. They can be used for both residential and commercial projects, including high-traffic areas such as hallways and entryways. Whether you're looking to update your home or revamp your business, these 8.5mm tiles are an excellent option for achieving a modern and polished look.
