600x1200MM

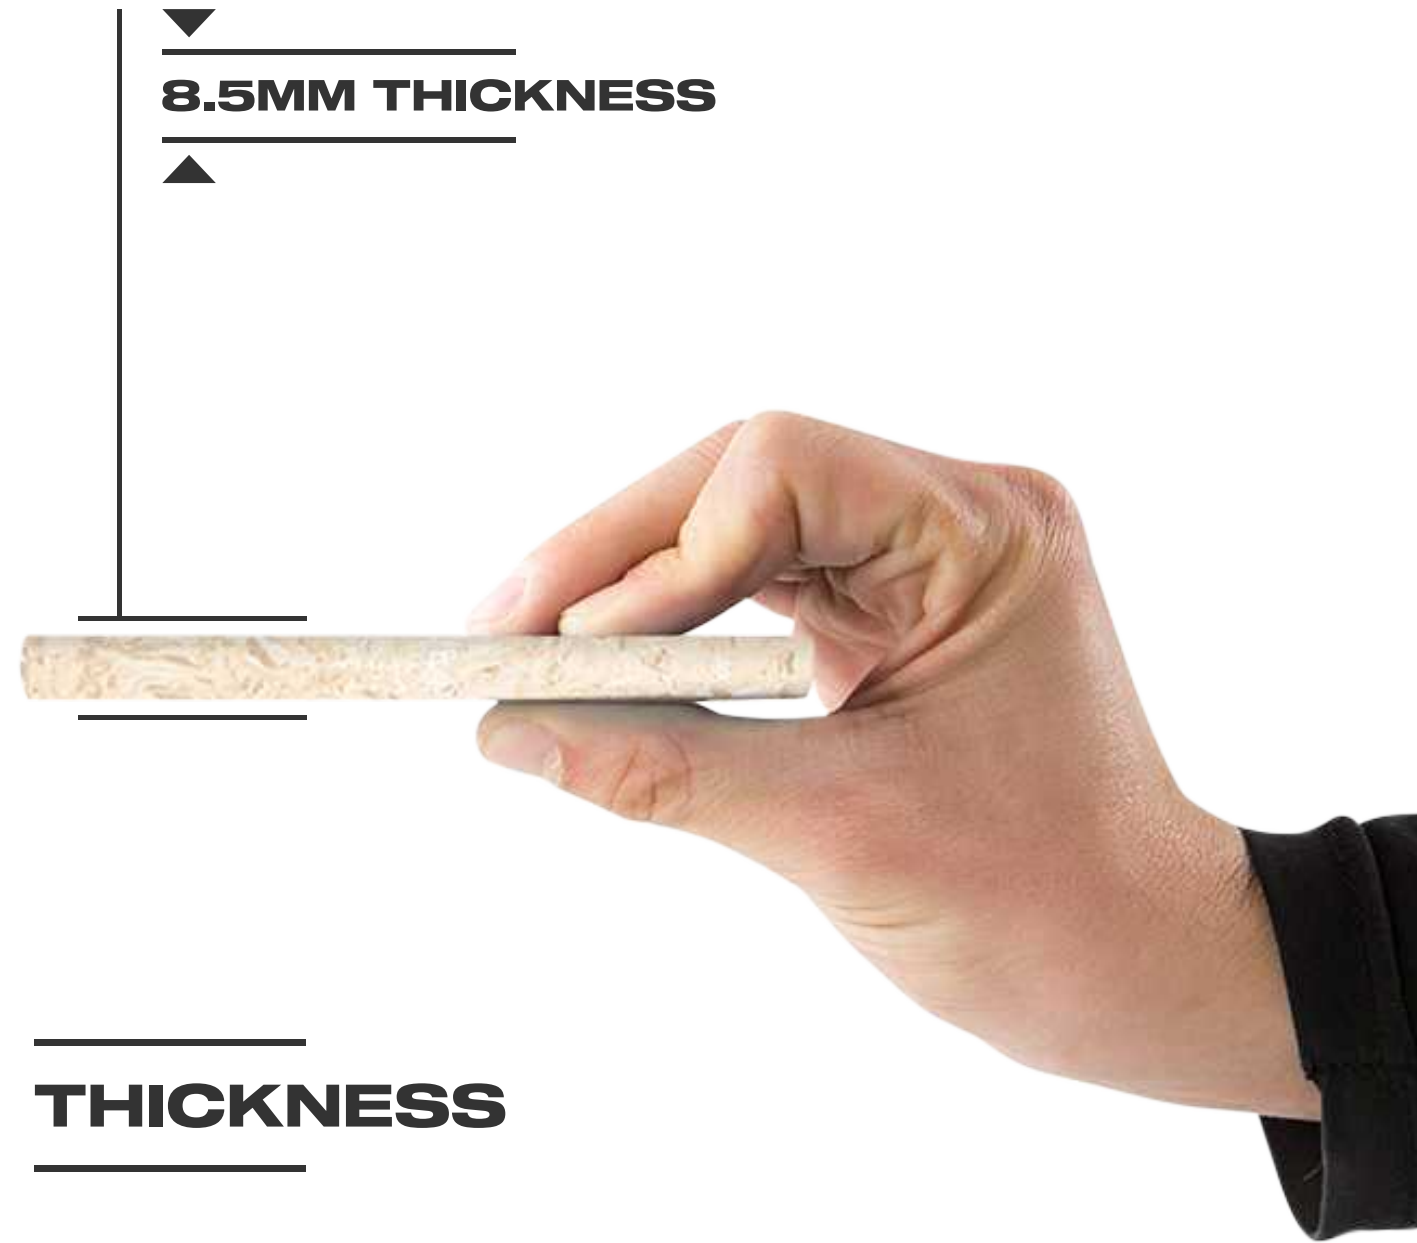

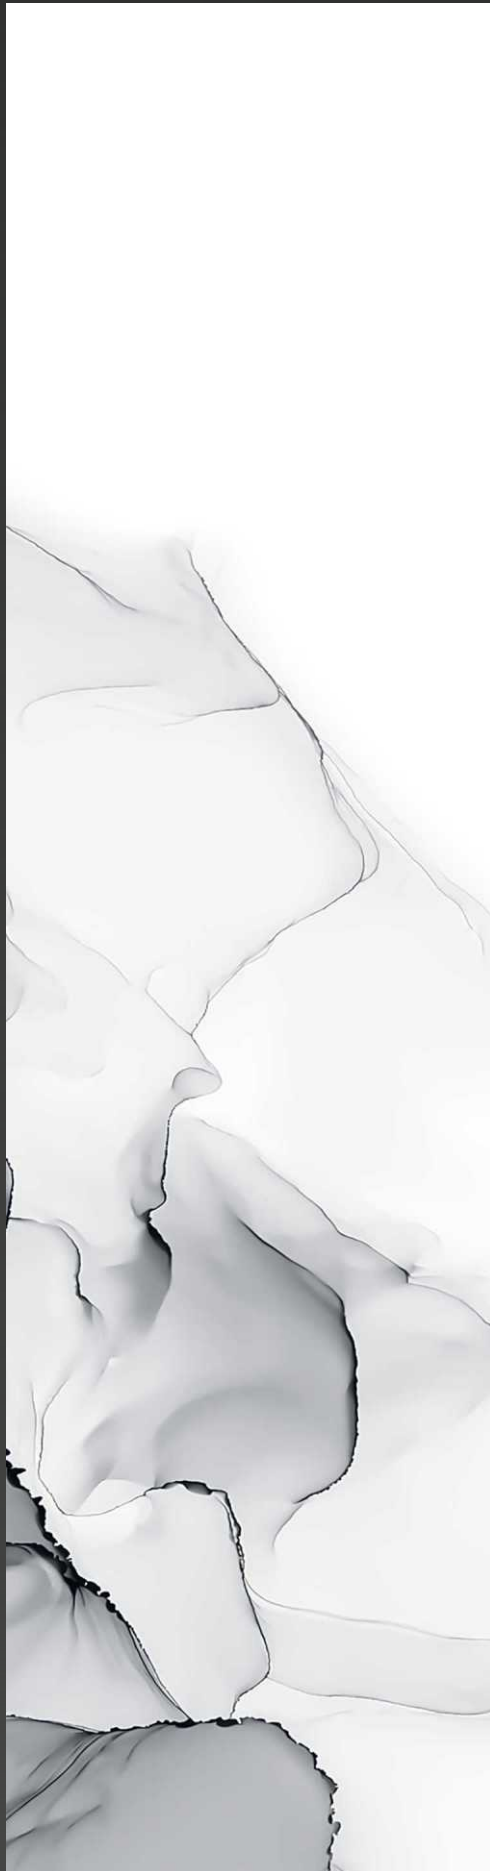

We offer a large size of 600 x 1200 mm, which makes these tiles perfect for creating a seamless and spacious look in any space. Whether you're looking to create a statement feature wall or a sleek floor, our range of sizes ensures that you can find the perfect fit for your project. Additionally, this size offers versatility in terms of design options, as larger tiles can be used to create a more contemporary and modern aesthetic while also making smaller spaces appear larger.

THICKNESS

With a thickness of 8.5mm, these tiles offer both durability and versatility. They can be used for both residential and commercial projects, including high-traffic areas such as hallways and entryways. Whether you're looking to update your home or revamp your business, these 8.5mm tiles are an excellent option for achieving a modern and polished look.

SUITABLE SURFACES

When it comes to simonza the options are nearly endless. These tiles can be installed on a variety of surfaces, including concrete, wood, and even existing tile. They are also suitable for use in wet areas such as bathrooms and kitchens due to their resistance to moisture and water damage. Additionally, these tiles are a great choice for any outdoor or indoor project. They come in a wide range of colors, patterns, and textures, making it easy to find the perfect match for any design aesthetic.

The image features a background of light-colored marble with intricate, organic patterns of brown and tan veins. The texture is smooth and polished. In the center, there is a horizontal rectangular box with a thin, dark border. Inside this box, the words "STATUARIO SERIES" are written in a bold, uppercase, sans-serif font. The text is a dark brown color, matching the darker tones of the marble background.
